The Soldiers Project

Free, Confidential Psychological Counseling for Soldiers and Their Families

Newsletter

We would like to start this Newsletter out with a heart felt THANK YOU to all of The Soldiers Project Volunteers from Dr. Judith Broder:

> "I was privileged to be awarded the $100,000 Purpose Prize for YOUR work for The Soldiers Project. In my acceptance speech, I accepted on behalf of all of you who have made my dream of TSP a reality and on behalf of all the men and women who have served in Iraq/Afghanistan and their loved ones. I (and that means YOU ALL) got a standing ovation from the over 300 people who attended the ceremony. It was quite thrilling and I thank you for all that you do."

Below are links to two articles about Judith and The Soldiers Project.
