About the film: *Focusing on the powerfully emotional stories of rape victims, The Invisible War is a moving indictment of the systemic cover-up of military sex crimes, chronicling the women's struggles to rebuild their lives and fight for justice. It also features hard-hitting interviews with high-ranking military officials and members of Congress that reveal the perfect storm of conditions that exist for rape in the military, its long-hidden history, and what can be done to bring about much-needed change.*

3 Free CEUS offered: *West Chester University is a pre-approved provider of professional continuing education (Section 47.36 (a)(1) for Licensed Social Workers and Licensed Clinical Social Workers, (Section 48.36(a)(1)) for Licensed Marriage and Family Therapists, and (Section 49.23(a)(1) Licensed Professional Counselors, by the PA State Board of Social Workers, Marriage and Family Therapists and Professional Counselors.*
